About Canaan & Enfield Rec Commissions

Both the Canaan & Enfield Recreation Commissions work hand in hand with Mascoma Valley Parks & Recreation. The Commissions are made up of volunteers from the communities who help plan and coordinate recreation opportunities. Through their efforts, both Canaan & Enfield are able to offer great programs for adults and youth alike. The Recreation Commissions are responsible for Egg Hunts in the spring and Halloween Parties in the Fall. Swim lessons, lifeguard coverage and a day camp are coordinated during the summer months. And, through collaboration with MVPR, many more activities and events are now available!

About Mascoma Valley Parks & Recreation

Katharine Lary Jopek

Regional Recreation Coordinator

Mascoma Valley Parks & Recreation is an initiative created by the Towns of Canaan & Enfield in April of 2013 for the purpose of expanding active living recreation opportunities and programs for residents of the Mascoma Valley region.

Based out of both Canaan and Enfield, the Regional Recreation Coordinator is a part-time position. The focus is on maintaining current programs, increasing the number and variety of programs, particularly those focused on active living, and exploring areas of collaboration between the Enfield & Canaan Recreation Commissions.

The position was initially made possible through grants from Mascoma Savings Bank Foundation, Children's Fund of the Upper Valley, Upper Valley Healthy Eating Active Living Partnership (www.uvheal.org), and the Byrne Foundation.

Now, in our fourth year, the Regional Recreation Coordinator position is sustained primarily through support from the Towns of Canaan and Enfield and a grant from the Byrne Foundation.

All of the new programs, activities and events would not be possible without the incredible support from the members of the Mascoma Valley Community and the Canaan and Enfield Recreation Commissions.
