

Canaan Recycles!

In 2016 Canaan recycled 28% of all of its trash!

More than 375 tons of old plastic, tin, paper, glass and aluminum were sold to make new products!

Including labor, Trash costs \$111 a ton. Recycling last year cost \$87.58 a ton including labor. Recycling cost DROPPED 43% last year.

We changed our system in 2016 so that the cost is much less and we are also paid \$15 a ton after processing. This means recycling will again be 21% lower than the cost of trash disposal, even with low markets for recyclables.
