

Canaan and Orange Recycle!

Including labor, Trash costs \$111 a ton. Recycling last year cost \$87.58 a ton including labor. Recycling cost DROPPED 43% in 2016.

We changed our system in 2016 so that the cost is much less and we were also paid for recyclables. This means recycling will continue to be 21% lower than the cost of trash disposal, even with low markets for recyclables.
