

Nothing is Scariier than Spreading COVID-19 this Halloween

- 
- Stay home if you are not feeling well.
 - Consider wearing a mask over your nose and mouth when trick-or-treating and handing out treats.
 - Avoid large gatherings or parties and find ways to trick-or-treat while staying at least 6 feet away from others, including when handing out and accepting treats
 - Practice frequent hand cleaning – bring a bottle of alcohol-based hand sanitizer with you while trick-or-treating, and use it often.

For Motorists

- Drive slowly and stay alert.
- Watch for children walking across the street or at intersections.
- Enter and exit driveways slowly, keep eyes out for children.
- After dark, keep eyes out for trick-or-treaters in dark clothing.
- New or inexperienced drivers should avoid driving after dark on Halloween.

Trick-or-Treating

- Adults should accompany young children while they are out.
- Walk on sidewalks, not the street. Use crosswalks when crossing the street.
- Always travel in familiar, well-lit areas and stay in groups.
- After dark, carry a flashlight or glow stick to increase visibility.
- Phones down, heads up. Be aware of your surroundings.
