

Canaan Cemetery Trustees Meeting  
October 12, 2016

Present:

BJ Hayward – Trustee  
Phil Carter – Trustee  
Ken Lary – Trustee

Al Posnanski – Selectman

Barry Geddes

The meeting called to order at 2:00 PM.

Discussed the recent damage to the Therriault and Barton stones at Wells Annex. A vehicle struck the stones last week. Information was received from Mike Samson that the driver is known and has insurance. The total estimate is \$3,400.00 to replace both stones. The town will pay with reimbursement coming from the driver's insurance. A copy of the accident report will be obtained from Canaan PD for the Trustee files.

The fence has been moved from Wells Annex to the South Rd cemetery. It doesn't match exactly but will suffice. Seven older stones have been straightened at Canaan Street cemetery with more to be done soon. These stones fell due to age and did not involve any vandalism or accidents.

The Emeline Davis Trust Fund for water maintenance at Wells Cemetery will be expanded to include water maintenance at other town cemeteries.

The Mildred Nixon fund will be used for some tree removal at Wells Cemetery. John Pelkey was contacted but is booked until the spring of 2017. He will be contacted at that time.

Meeting adjourned at 3:10
