

Cemetery Trustees Meeting  
March 8, 2017

Present:

Barbara Hayward – Trustee  
Phil Carter – Trustee  
Ken Lary – Trustee  
Al Posnanski – Selectman

The meeting was called to order at 2:00 PM and the following items were discussed;

Some general rule suggestions were presented and reviewed. The potential rules are being forward to the Town Administrator for review. A sign company was contacted for a price estimate for signs that would be posted at all cemeteries. A "ballpark" price of about \$1,500.00 was estimated for 12-15 2x3 foot signs. It is felt that size might be larger than necessary and more information will be obtained.

In line with the change to the Trust pertaining to water supply in the cemeteries, it was agreed the first cemeteries to be addressed will be Canaan Street and the Wells Annex. The trustees will meet in April at Canaan Street Cemetery to decide on a location for a well. Once that is determined, bids will be obtained from several well companies to have, hopefully, a well installed during the summer/fall of 2017.

John Pelky will be contacted regarding trees in Wells Cemetery that are to be removed.

The Trustees received a letter from Sharon Green. She states that her later parents, Ernest and Maude Emerson promised her access to a lot they purchased in Wells Cemetery. It is her hope, when the time comes, to be buried alongside her parents. Her parents did indeed purchase lot A 4 in Section F. She supplied two letters from witnesses in support of her being promised this lot. The Trustees agreed that she be notified of the Trustees approval of her having access to this lot. A letter will be sent to Ms. Green advising her she may make use of the plot when needed. Her letter, the witness letters and a copy of the Trustee's response will be placed with the deed to the lot, stored in the Town offices.

Barry Geddes is to begin cemetery maintenance on or about May 1<sup>st</sup>.

Al Posnanski advised the 4-H club will be doing annual maintenance, on April 6th at the Scofield Cemetery located off Ibey Rd.

Meeting adjourned at 3:00 PM.
