Canaan Horseshoe League Organization Meeting

The Canaan Horseshoe League will be holding an organization meeting 6:00 PM Monday, May 7, 2018 at the Williams Field Horseshoe Pits in Canaan. Team captains, team members, or anyone interested in joining an existing team or putting a team together should attend. We would like to add more teams this year, each team is comprised of four players and the team cost to join/play is \$100.00 for the year. League play starts May 14, 2018 and continues every Monday night until Mid-August.

We welcome men and women of all ages, but must be 16 or older. Currently our league is comprised with a mixture of 60% men and 40% women throwers. Throwing experience is not required, we are a handicap league (scores are adjusted weekly based on past scoring) with people just having a fun night out. Women have the choice to throw at 30 or 40 feet.

Substitutes are always needed so if you can't make every date stop by and sign up on any Monday if you are free as a sub. For further information, contact Tom Hudgens @ tjhudgens@gmail.com or (603) 523-9649.
